

Dear BR Girl,

This year you have the opportunity to do something very special. BR girl's have the opportunity to receive a BR Ring. It is a sterling silver ring with the BR brand engraved on the top that you have heard so much about. Many of you have asked how to get a ring, here's how.

We do not sell the BR Ring you must first earn a ring. Only BR girls are eligible for a ring. Which means you must first enroll for a session at BR, then you must fill out a ring list correctly and send it back, next and most importantly you must attend and complete your session at BR. Once you have achieved these goals you will receive your ring at the Last Campfire Ceremonies.

The ring list includes the names, addresses, and age of 25 girls whom you would personally recommend to become BR girls.

It is fun to share with your friends so that they can also enjoy a fun and exciting summer experience like you—so here is your chance to tell your friends about BR just as someone helped you to find Black River.

Your list must be returned within 30 days of receipt. You can send them to the BR address below. Be sure to follow the directions and print clearly or use a computer.

We look forward to presenting you with your own BR Ring at our Last Campfire Ceremonies.

Love Kisses, & Horses
